

MENTAL HEALTH

MENTAL-HEALTH DIAGNOSTIC CODES MAP

A practical reference for the conditions most often linked from RateMyVSO mental-health guides.

THE CODE IDENTIFIES THE DIAGNOSIS

Most listed mental disorders still use one shared rating formula.
The diagnostic code organizes the condition. The percentage usually turns on the resulting occupational and social impairment.

SELECTED 38 C.F.R. SECTION 4.130 CODES

MENTAL-HEALTH DIAGNOSTIC CODE MAP

9201	Schizophrenia General Rating Formula for Mental Disorders	9208	Delusional disorder General Rating Formula for Mental Disorders
