STATUTORY REVIEW

1-3	Current VA payment guidance VA states that one to three K awards may be added to eligible basic or SMC rates.	BASIC	Ratings from 0 to 100 percent K can be added to basic disability compensation when the listed loss qualifies.
MOST SMC	Eligible SMC rates K may be added when the qualifying loss is separate from the loss already used for the base SMC entitlement.	EXCEPT	Not added to O, Q, or R Current VA guidance excludes K additions to these rates. Avoid duplicate use of the same loss.
