ANNUAL VIEW

GRANTS DIVIDED BY GRANTS PLUS DENIALS

AXIS: Every percentage bar uses a 0 to 100 percent scale. Issue counts include the dataset's annual TDIU issue volume. The 2026 row is partial-year data. Annual patterns describe published Board decisions and do not predict an individual claim. RateMyVSO TDIU Board dataset dated 2026-09-23.

DENOMINATOR DISCIPLINE

READ THE RATE AND VOLUME TOGETHER

1

RATE

The decided-issue rate excludes remands and dismissals.

2

VOLUME

The issue count provides context for the annual rate.

3

PARTIAL YEAR

The latest year should not be compared as if collection were complete.

4

NO PREDICTION

Case mix, evidence, procedure, and law differ across individual claims.
